In 2013, we became an official Group II activity, a non-profit, international volunteer military community Association. Our goal is to be a liaison between those in our SHAPE/Chievres community who want to give in support of planned activities that help the disadvantaged in Belgian non-profit government registered organizations (ASBLS). Our aim is to show we **C**are, show **C**ompassion, and offer **C**harity.

Our own volunteer needs are varied and we are careful what we commit our IC3 Team to do in order to balance life:work, travel:school holidays and ...winter’s grey days.

If you are curious and **Love to Volunteer:**
